Integration setup

OMS Set Up

If you are requiring any of the below integrations available on your Originations system, please inform your OMS Project Manager during the scoping session or during your build.

- **Sikoia**
- **Home Track** – Specify whether you want the PDF AVM and/or the Broker AVM. Pricing differs between the two.
- **LexisNexis** – Bespoke setup; include relevant details in your email.
- **EPC Register**
- **Experian** – Must have an existing relationship with Experian.
- **UKCreditRatings**
- **DocuSign**

Via OMS with Specific Conditions

- **Nivo** – To register, return a signed Nivo subcontract. If you do not have one, request it from your OMS Project Manager.
- **GoCardless**

Register Directly, Then Notify OMS

Once you have registered, please provide your credentials to your OMS Project Manager.

- **Creditsafe** – Register via creditsafe.com
- **Equifax** – Register via equifax.co.uk
- **LMS** – Register by emailing customerservices@lms.com
- **Landmark** – Register via landmark.co.uk
- **WorldPay** – Register via worldpay.com
- **HM Land Registry** – Register via Land Registry eServices
- **Sanction Search** – Register via sanctionssearch.com (Use promo code OMS130 for 130 credits for the price of 100)
- **Home Track** (Alternative Process) – If you already have an API key and property list, notify OMS to complete setup
- **LoPay** – Register via lopay.com/en-gb
